Welcome to FC DELCO!

On behalf of everyone at our club, we're thrilled to have your teams and families here. Whether this is your first trip to the area or you've made the journey before, we hope you feel right at home the moment you arrive.

We know travel soccer asks a lot of families — the early mornings, the miles, the coolers packed the night before. It means a great deal that you've chosen to spend this time with us. Between matches, the greater Philadelphia and Delaware County region has plenty to offer, from historic sites and great food to easy spots to relax and recharge as a family. This guide is our way of helping you make the most of it.

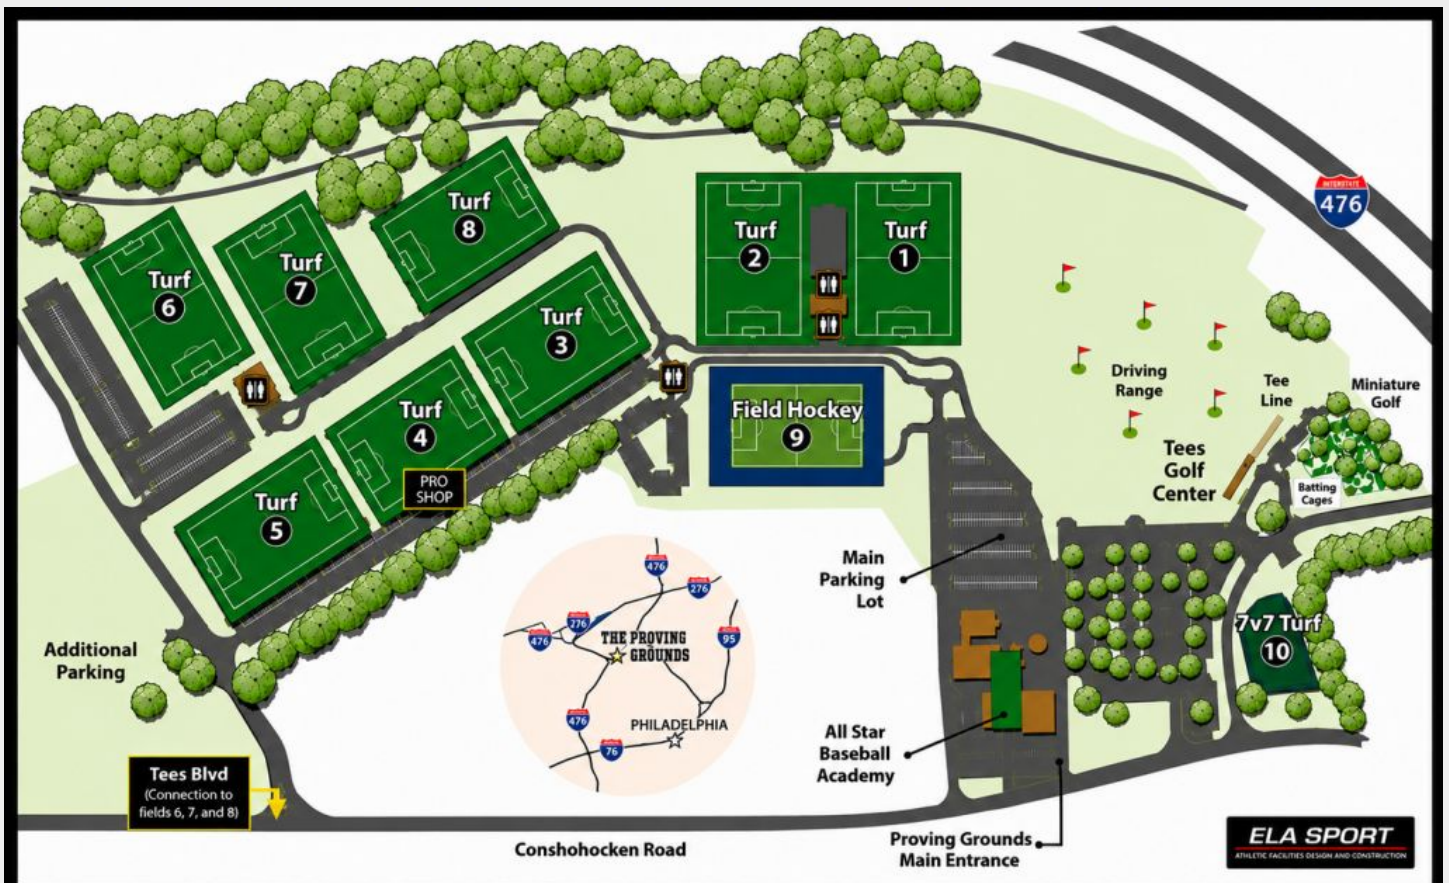

We're also proud to have **Valley Forge Sports** as the sponsor of this guide. Their support of youth soccer and the families behind it helps bring events like this to life, and we're grateful to have them in our corner.

So lace up, play hard, and enjoy every minute. We're glad you're here.

Warmly,
FC DELCO
